ALPS OutdoorZ Partners with The Grind Waterfowl TV as Official Gear Sponsor

New Haven, MO - ALPS OutdoorZ is excited to announce that they have partnered with The Grind Waterfowl TV as the official gear sponsor for the 2016/17 season. As part of the new partnership, The Grind Waterfowl TV crew will be exclusively using Delta Waterfowl Gear by ALPS OutdoorZ products on the program, set to begin airing new episodes in late June.

“We’re very excited to partner with ALPS OutdoorZ for Season 6 of The Grind Waterfowl TV. The broad spectrum of gear they provide will be a huge asset to all waterfowl hunters throughout the country,” said Ricky Hart, member of The Grind Marketing TV. “We believe Delta Waterfowl Gear that was created by duck hunters will withstand heavy abuse when we travel the country witnessing some of the harshest conditions.”

“We are thrilled to partner with The Grind Waterfowl TV and have their crew use our new line of Delta Waterfowl Gear,” said Colby Smith, ALPS OutdoorZ marketing/PR manager. “I truly think showcasing our gear on the program will show viewers that this new gear line has been designed with innovative features perfect for the hardest working waterfowl hunters out there.”

The brand new line of Delta Waterfowl Gear features innovative and durable products across an array of categories, including a patented layout blind with a groundbreaking design, multiple waterproof blind bags and packs, gun cases, and various other accessories.

“We wanted to cover the spectrum of gear that would be considered essential in a waterfowl hunter’s arsenal with the initial launch of the line,” said Zach Scheidegger, ALPS product manager. “Whether you’re a seasoned veteran or someone just getting into waterfowl hunting, you’ll be able to find the innovative, durable, and reliable gear you’re in need of offered from Delta Waterfowl Gear. We’re excited to have the gear showcased on The Grind Waterfowl TV.”
