

## ALPS OutdoorZ Introduces New Goose and Duck Decoy Bags

**NEW HAVEN, Mo.** – ALPS OutdoorZ continues to expand its waterfowl gear product line with the introduction of two new decoy bags—the 6-Slot Goose and the 12-Slot Duck Decoy Bags. Both bags are designed to provide an organized, convenient, and mess-free means of transporting decoys in any waterfowl environment.

Each Decoy Bag features a technical mesh bottom panel designed to promote rapid water drainage and reduce post-hunt weight. Durable 600D polyester comprises the side and divider fabric, making the bag wear- and abrasive-resistant for long life and easy cleanup. A top drawstring closure secures the decoys in their respective slots for transport. Speaking of transport, the Decoy Bags have a removable shoulder strap for solo-carry as well as side handles for team-carry.

The 6-Slot Goose Decoy Bag accommodates six goose decoys with stands while the 12-Slot Decoy Bag accepts twelve standard duck decoys.
